

The University seeks excellence in the fulfillment of its corporate purposes of teaching, research, health care and service to the community. It is dedicated to leadership in the continuing quest for understanding of God's creation and for the discovery, dissemination and integration of the values, knowledge and skills required to transform society in the spirit of the Gospels.

The Department of Psychiatry is excited to implement a Scholarship Program for Visiting Medical Students Underrepresented in Medicine (URiM). Our hope is to engage URiM students who show passion in the field of psychiatry. We invite visiting medical students to apply to participate in a fourth year clinical elective in the Department of Psychiatry.
