

Program Level Assessment: Annual Report

Program Name (no acronyms) Cybersecurity

Department: SPS Graduate Programs

Degree or Certificate Level: Graduate Certificate

Data from individual students and students completing the master's research project in the M.S.(CYBR 5963)

3. Assessment Methods: Evaluation Process

What process was used to evaluate the artifacts of student learning, and by whom? Please identify the tools(s), (e.g. a rubric) used in the process and include them in/with this report.

Assessment was conducted by the program director.

4. Data/Results

What were the results of the assessment of learning outcome(s)? Please be specific on achievement level by teaching modality (e.g., online vs. face-to-face) or on-ground location (e.g., STL campus, Madrid campus, other off campus site)

Results indicated that, in its current form, students were not meeting SLO

The results indicate that the program is not truly designed to meet STL's course content needs to be reevaluated and new courses need to be created.

A. When and how do your program faculty share and discuss these results/findings from this cycle of assessment
